

# the daily grind for dementia

**SUPPORT JAMIE'S RUN!!**

**54KM PER DAY**

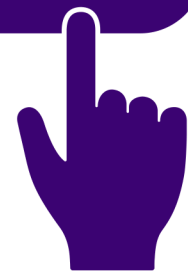

**14 DAYS**

**28TH NOV - 11TH DEC 2023**

**SCAN  
ME!**

**DONATE**

the daily grind is an initiative being driven by the family of former WAFL and AFL umpire Mike Ball, who lost his battle with Alzheimer's Disease on 11 December 2021, at just 66 years of age.

The aim of the daily grind campaign is to raise funds to support people living with dementia and their loved ones, so they can best prepare for the journey post-diagnosis.
